

THE ABERLADY

WILD GOOSE CHASE

ART TRAIL

Discover Aberlady like never before!

Inspired by the wild beauty of Aberlady Bay and its iconic greylag and pink-footed geese, this project will bring art, wildlife, and community together.

The trail, backed by the Aberlady Community Association, will invite everyone to discover hand-made ceramic tiles hidden around the village.

Created by local artists and the village community the tiles will spark imagination, encourage exploration, and showcase Aberlady's nature and creativity.

**This project is in development
and we'd love your help.**
